

**DR. SHASHI THAROOR
MP'S FIVE-YEAR PROGRESS REPORT**

THIRUVANANTHAPURAM CONSTITUENCY

2009 – 2014

**INITIATIVES FOR DEVELOPMENT AND WELFARE OF
CONSTITUENTS**

1. ROADS

- After intensive discussions with Union Minister for Road Transport and Highways and senior officials, succeeded in ordering revival of the long-dormant Kovalam – Kaliyikkavila National Highway (NH-47) Bypass work. This has brought succour to thousands of families whose lands and properties had been ear-marked for acquisition as well as for the tens of thousands of road-users who had been denied a much-needed quality infrastructure facility.
- The NHAI allotted Rs. 1170 crores for the project.
- Subsequently, followed up to have the all-important land acquisition notification in the matter issued. Further, put forward a practical plan, immediately accepted by the NHAI, to have the project undertaken in two parts, Kazhakuttam-Mukkola and Mukkola Kaliyikavila in order to achieve a quick start and avoid any further paralysis of the entire work due to minor procedural and legal bottlenecks in respect of certain small stretches.
- Convened high-level meeting attended by the District Collector, officials of the NHAI and other State Government departments to review the progress made and devise a new time schedule for completion of the all-important land acquisition process. As a result, the work was completed in time before the expiry of the mandatory one-year period from the date of the preliminary notification issued under the 'National Highways Act, 1956'.
- Took steps to ensure that, in the first instance, the compensation package envisaged in the National Highways Act, 1956 was provided and later, to utilize the arbitration process envisaged therein to obtain more liberal and extra benefits. Further, steps will be taken to bring the entire project under the provisions of the recently enacted 'the Right to Fair Compensation and Transparency in Land Acquisition,

Rehabilitation and Resettlement Act, 2013', to enable these beneficiaries to obtain even more benefits under the latest legislation on the subject. The land acquisition process relating to the project and disbursement of the compensation amounts are nearing completion.

- The NHAI has approved the Request for Qualification (RFQ) for the initial Kazhakuttam-Mukkola stretch. The Planning Commission has approved the contract details and issued the RFQ and RFP. Four firms have been shortlisted for finalizing the contract for making the entire Kazhakuttam-Mukkola stretch. The entire Kazhakuttam-Kaliyikkavila stretch will be completed as a state-of-the-art four-lane highway.
- Was successful in obtaining for Thiruvananthapuram constituency record allocations of Rs. 75.55 crores. Rs. 35 crore allotment was obtained for the Pallichal-Venganoor-Vizhinjam and Venganoor-Pachalloor-Kovalam road. Further, sums of Rs. 23.5 crores for (i) the Aakkulam-Sreekariyam-Mannanthala-Kodappanakkunu-Vattiyurkavu-Kundamankadavu; and (ii) Rs. 14 crores for the Neyyaram-Shorlacod road was obtained from the Central Road Fund during 2010-2011.
- Funds were also obtained from the Central Road Fund for two new roads. These are Rs. 11 crores for a new 20 km stretch from Vellayani junction – Ukkode – Kalliyode-Vellayani junction-Pookulam and Rs. 12 crores for improvement of 23 kms of the Udayankulangara – Plamootikada –Chenkavila- Idichackaplamoodu road.
- As MP, substantially contributed to efforts for starting work on the widening and re-construction of the all-important NH-47 stretch between Karamana – Kaliyikkavila NH-47 the existing major road life-line serving the southern parts of the constituency. Successfully requested the Chief Minister to convene a break-through high-level meeting of Ministers and officials convened under his chairmanship,

following which the relevant land acquisition notification was issued, the prime action essential for getting the work started. Successfully intervened with Chief Minister and Finance Minister to make sufficient allocations for the work in the State Budget, 2013-14. The first stretch of the project is expected to be completed within next 2 years. The global tender for the entire project has been issued.

- Substantial allocations were obtained for the constituency under the Prime Minister's Grameena Sadak Yojana (PMGSY). The details of the projects and the allocations under each are given below:
 - Dhanuvachapuram – Udayinkulangara road (Rs. 121.13 lakhs)
 - Eythukondakani-Palappally road (Rs. 172.55 lakhs)
 - Aryanad-Mylachal road (249.77 lakhs)
 - Rs. 299.38 lakhs for (i) Amboori-Kumbichal Kadavu road; (ii) Katthipara-Panthaplamoodu; (iii) Mylalikara-Koranjiman road; and (4) Kandathitta-Paruthipara road.

2. RAILWAYS

- Made sustained efforts at highest levels and achieved key advances in the development of the Railways in the constituency. These include:

* 14 (Fourteen) new trains for Thiruvananthapuram Central.

The trains are:-

- Kochuveli-Mangalore Express
- Kochuveli-Yeshwantpur Express
- Tirunelveli – Bilaspur Express (via Tvm)
- Tirunelveli – Happa Express (from Tvm)
- Thiruvananthapuram – Kozhikode Janshatabdi Express
- Kochuveli-Bhavnagar Express
- Thiruvananthapuram-Nilambur Road Express
- Kanyakumari-Dibrugarh Express (via Tvm)
- Kollam-Nagercoil MEMU
- Thiruvananthapuram-Chennai Duronto Express
- Kochuveli-Porbandor Express
- Thiruvananthapuram-Bangalore Premium Express

- Thiruvananthapuram – Nizammuddin Express

-Nagercoil – Punaloor Passenger

- Actively pursuing the starting of a new suburban train service on the Thiruvananthapuram-Chengannur-Haripad sector to benefit daily passengers. The Mumbai Rail Vikas Corporation is preparing a mega signal network which will enable more than one train to proceed between two stations in the same direction.
- Actively pursuing with the Delhi Metro Rail Corporation the time-bound implementation of the prestigious Monorail Project for Thiruvananthapuram.
- Succeeded in obtaining a special package of Rs. 10 crores from the Union Tourism Ministry to implement a number of projects for enhancing passenger facilities and amenities at Thiruvananthapuram central station. Work on four escalators and a new booking office at the station has been inaugurated.
- Out of the 5 stations in the country earmarked for upgradation to world-class standards, Thiruvananthapuram has been first to get off the blocks in terms of completing all formalities and for proceeding with the actual works envisaged.
- A project report for the setting up of a Railway Water Bottling Plant for Thiruvananthapuram was completed and tender has been called for setting up the plant at Parassala by the IRCTC.
- Efforts made for the setting up of a Railway Medical College at Thiruvananthapuram. Even though the proposal to set up such Medical Colleges have not made much headway in other parts of the Country, in Thiruvananthapuram the matter is still under active consideration for a PPP model project.

- Personal visits and discussions with various Railway Ministers and senior officials yielded many benefits to the constituency some of which are the following:
 - Dhanuvachapuram station on the Tvm-Parassala sector which had been only a minor halt station has now been allotted Rs. 2 crores for improvement and enhancement of facilities and buildings. The related works have been inaugurated.
 - Increased funding was made available for raising and lengthening the platform of the Balaramapuram station and for arranging other facilities.
 - Approval was granted for a Railway Over bridge (ROB) at Nemom.
 - Construction of a new ROB at Kazhakuttam was started.
 - Frequency of a number of long-distance trains was increased.
 - In fulfillment of the demand of the employees of Technopark and the residents of Kazhakuttam, stops have now been allowed for a number of long-distance trains at Kazhakuttam station. These include, the 16649 Mangalore-Nagercoil Express, 16650 Nagercoil-Mangalore Express, 16526 Bangalore-Kanyakumari Express, 16525 Kanyakumari-Bangalore Express, 16620 Thiruvananthapuram-Mangalore Malabar Express, 16303 Ernakulam-Thiruvananthapuram -Vanchinad Express

- Additional stoppages for important trains at Parassala including the Jayanti-Janata Express, Ananthapuri Express and Parashuram Express, fulfilling a long-standing demand of the people of the region.
- Additional coaches attached to the Nagercoil-Kochuveli passenger to solve the problem of overcrowding for the daily commuters.
- The prestigious 'Parashuram Express extended to Nagercoil thereby providing an important direct link for people of the region with the rest of Kerala in addition to increasing travel facilities on the Tvm-Parassala sector.
- The Madurai-Kollam Passenger extended to Punalur.
- Actively worked for clearing various bottle-necks for the starting of the long-awaited MEMU train services between Kollam and Nagercoil. The service which has been started from 1st December, 2012 will significantly augment the rail travel services in the constituency. The MEMU service has since been extended to Kanyakumari as announced in the Railway Budget, 2013-14.
- Improvements in services at all stations located in the constituency, including new footbridges, elevated platforms, computerized reservation facilities, etc. A significant allocation of Rs. 6 crores was made for development works at Kochuveli station in the Railway Budget of 2013-14.
- Efforts being made to improve facilities at Veli station.

- Two automatic ticket vending machines were installed at Thiruvananthapuram Central which has provided speedier ticketing services to daily passengers.
- Took the initiative to persuade the Railway administration to create an exclusive Office of Chief Administrative Officer (a first for Kerala) to oversee development work for the two Railway Divisions in the State and to locate it in Thiruvananthapuram
- New Passenger Reservation Services (PRS) was started under the MP's 1000 PRS scheme in the Civil Station premises at Kodappanakkunu. In addition, two more PRS, one at the State Secretariat and the other at the Medical College Campus, have been set up. This has resulted in a quantum jump in services to the travelling public. A new PRS centre at Technopark has also been announced and will start functioning soon.

3. VIZHINJAM PORT

- Provided leadership, both as MP and as member of the Board of Directors of the Vizhinjam International Seaport Ltd. (VISL), for bringing about tangible progress on the proposal for the construction of the prestigious seaport. Intervened to have the master plan modified and maintain the landlord model included.
- The change to the Landlord Model for the project led to smoothening of the preparatory process considerably and enabled the State Government to finally announce the Master Plan of the Project. 14th November, 2013. The project received the approval of the Central Government on 14.11.2014. After completion of RFQ requirements of the breakwater construction the tender process the main work on the port is expected to commence in May, 2014.
- Played key role in pursuing with the Ministry of Environment & Forests to grant early approval for the Terms of Reference for the Environment Impact Study of the project. Pursued the work, including through meetings with the Ombudsman of the High Court and discussions with members of the Expert Committee reviewing the project.
- Held detailed discussions with the Vice-Chairman and senior officials of the Planning Commission and played a key role in obtaining the approval for extending a 20% viability gap for the project.
- Moved the Govt. of India to take action for developing basic rail and road infrastructural facilities for the Vizhinjam Seaport Project area. A two-km stretch from the National Highway- 47 bypass was got included in the National Highway Authority Scheme. The Railways have already completed survey work for a dedicated 8-km rail track from Vedicachankovil in Balaramapuram to Vizhinjam.

- As a member of the Board of Directors of the Vizhinjam International Seaport Ltd, worked assiduously to expedite progress on the port project, pursue environmental clearances and pursue early and effective implementation.

Poovar Shipyard

Strongly took up with the Minister for Shipping Poovar's case for being selected as the location for the new shipyard proposed to be set up on the West Coast of the country. Provided detailed suggestions for developing Poovar as a major shipyard-cum-port and maritime hub.

Poonthura, Valiyathura Fishing Harbours

Actively pursuing with the Central Government the cases of developing the fishing harbours at Poonthura and Valiyathura in Thiruvananthapuram.

4. HIGH COURT BENCH

- Sustained intervention made with Central, State and judicial authorities for the re-establishment of a High Court Bench in Thiruvananthapuram.
- The interventions included personal meetings with three successive Chief Justices of the Kerala High Court to extend their consent for a bench. Following these sustained interventions Chief Justice Bennurmath conducted hearings in Thiruvananthapuram in 2009-2010. The matter was also discussed with the Chief Minister and Union Law Ministers. These efforts finally yielded positive results when the Hon'ble Chief Justice of the Kerala High Court recently issued orders constituting a 5-Judges Committee to look into the issue.
- Introduced a Private Member's Bill for the setting up of Benches of High Courts in State Capitals to clinch the issue. Bill was listed for consideration during the Monsoon Session, 2012. The Bill could not be taken up for consideration only because of the total wash-out of the Session due to obstruction by the Opposition.

5. EDUCATION

In the short period since re-induction to the Union Council of Ministers in November, 2012 (as Minister of State in the Ministry of Human Resource Development) was able to bring about achievements in the education-related matters in the constituency.

- The foundation stone of the capital city's campus of the Central University of Kerala was laid by the Prime Minister on 4th January, 2014. Vigorously and successfully argued in favour of locating at Thiruvananthapuram the prestigious Off-Campus site of Central University of Kerala set up in Thiruvananthapuram to offer an integrated BA/MA Course in International Relations.
- Succeeded in relocating the proposed regional office of the Central Board of Secondary Education (CBSE) at Thiruvananthapuram. Earlier, the nearest regional office was at Chennai. The location of the new Regional Office at Thiruvananthapuram will benefit students and parents of CBSE Schools in the area immensely.
- A new Regional Office of the AICTE for Kerala and Lakshwadeep was established at Thiruvananthapuram. A new four storeyed building for the Office was constructed and inaugurated in a record time of 180 days.
- Succeeded in getting a significant allotment of Rs. 33 crores for the AICTE in Kerala during 2012-13.
- Action was taken to include studies on Sree Narayana Guru in the CBSE syllabus.
- Successfully pursued the setting up of a Chair in the name of Mahatma Ayyankali in the Central University of Kerala, Kasargode.

- Arrangements made for admission with scholarships for 25 students from the BPL category for undertaking MBA/BBA courses in prominent educational institutions throughout India. The funds for purpose were made available from the Chandran Tharoor Foundation.
- Coordinated with Bharti Foundation and Chandran Tharoor Foundation (CTF) to bring educational assistance to schools catering to underprivileged children in the district.
- Successfully intervened with CBSE to allot three new centres in Kerala for the JEE Exam, 2013. The new offline Centres were set up in Thrissur, Kottayam and Thiruvananthapuram. Thiruvananthapuram already had an online centre and the starting of an offline centre also made it the only city in Kerala to have both an online centre as well as offline centre for the examination. This brought relief to thousands of candidates from Kerala who were earlier forced to travel to centres both within and outside the state.
- Successfully intervened to have a test centre for the prestigious CAT (for entrance to IIM etc.) at Thiruvananthapuram from the CAT, 2013 onwards. Earlier, the only other Centre in the State was at Kochi.
- Intervened successfully for accommodating aspirants from Kerala appearing for the National Medical PG Entrance Examination at Centres in Kerala itself.
- Intervened successfully to have a centre for the All India PG Dental NEET Examination at Thiruvananthapuram. Earlier, Chennai was the only Centre in South India for the Examination.

- Rs 4 Crores allotted for establishment of SC/ST Hostels at the Govt. Engineering College, Barton Hill and Govt. College of Engineering at Thiruvananthapuram.
- Rs 1 Crore allotted for establishing a Research Park at the College of Engineering, Thiruvananthapuram.
- Sustained effort is on for setting up a Regional Centre of National Board of Examinations at Thiruvananthapuram.
- Succeeded in obtaining under the Rashtriya Madhyamik Shiksha Abhiyan (RMSA) of the Union HRD Ministry an outlay of Rs. 59.71 crores for 2012-13 for improving physical facilities, quality enhancement and social equity in Govt. Secondary Schools in the State. This will include, among others, financial assistance for upgradation of 112 Schools in the State.
- Got substantial allotment of Rs. 120 crores for Kerala under the Rashtriya Uchhasthan Shiksha Abhiyan Programme.
- Rs. 105 crores allotted for the Malappuram campus of the Aligarh Muslim University.
- Intervened successfully in getting approval of the State Govt. for allotting 70 acres of land at Malappuram for an off-campus centre of the prestigious English and Foreign Languages University (EFFLU), Hyderabad
- Strongly intervened for locating the proposed 'Knowledge City' project of the State Government in Thiruvananthapuram.

- Took steps to cancel the termination of Training Colleges under the National Centre for Teacher Education.
- Set up coaching-cum- guidance centre for SC/ST students under the Ministry of Labour.
- Efforts being made to set up a regional center of the National Board of Examinations at Thiruvananthapuram.

6. AIRPORT

- Strong and repeated personal intervention to have the work on the International Terminal at Thiruvananthapuram International Airport completed. The Airport is now fully operational.
 - Took action to ensure completion of work amounting to Rs. 50 crores on the Hangar Unit of Air India at Thiruvananthapuram Airport. The Unit was made operational on 16th December, 2011.
 - A major investment of Rs. 130 crores was obtained for the Airport, The projects which will be implemented using this allotment within 14 months include a Rs. 70 crore parallel taxi-way, a fourth aerobridge for Rs. 20.98 crores, new turning pad for Rs. 15.77 crores, Rs. an additional apron for Rs. 14 crores and additional security systems for Rs. 10.36 crores., etc.
- Intervened strongly to reduce User Development Fee in respect of new terminal at Thiruvananthapuram International Airport. Constant and effective intervention whenever necessary in all matters concerning facilities and problems of air passengers. Intervened to bring about improvements in parking facilities.
 - Successfully took up with the Centre the starting of Visa-on-Arrival (VoA) facilities at Thiruvananthapuram and Kochi Airports to benefit citizens of 11 countries and enhance tourism to Kerala.
 - Working with State government on providing the “multi—nodal hub” and “Aeropolis” concept to link the airport by road, rail, sea and canal as well as to develop ancillary facilities.
 - Obtained approval for starting of logistics post air services from Thiruvananthapuram Airport.

7. HEALTH SERVICES

- Effective intervention to ensure speedy completion of the construction of the buildings and related infrastructure of the six super-specialty departments in the Thiruvananthapuram Medical College Hospital complex involving a cost of Rs. 179 crores under the Prime Minister's Swasthya Suraksha Yojana. Project. These super-specialty departments have already started functioning.
- Was successful in getting Rs. 10 crores allocated for completing building works at the Central Ayurveda Institute at Poojappura.
- Obtained approval for a new Virology Lab of the Union Ministry of Health & Family Welfare at Thiruvananthapuram.
- Personally intervened with the Union Health Minister and succeeded in obtaining financial assistance for treatment of individual cases. The total assistance so obtained was to the tune of Rs. 57.35 lakhs.
- Took up individual cases of financial assistance for treatment under the Prime Minister's Relief Fund. The total assistance so obtained was to the tune of Rs. 43.91 lakhs.
- Intervened successfully with the Union Health Ministry for including the Govt. Medical College, Thiruvananthapuram as Regional Centre for the new National Geriatric Programme.
- Active intervention for facilitating the next stage of expansion and development of the Sree Chitra Institute of Medical Sciences & Technology, Thiruvananthapuram.
- Took up and pursued the case for raising the status of the Regional Cancer Centre, Thiruvananthapuram to that of a National Institute for Cancer Research at a cost of Rs. 120 crores..

- AYUSH holistic treatment centres started in Neyyatinkara and Poonthura
- Succeeded in getting additional allotment of funds for improving facilities at the ESI hospitals at Pettah, Peroorkada and Karamana.
- Succeeding in obtaining approval for establishing an ESI Super-specialty hospital, including trauma care facilities, at Kazhakuttam.
- Efforts made to raise Peroorkada Mental Health Centre to the level of a 'Centre of Excellence' under Central Scheme. Though initially successful, the decision was reversed under pressure from the then LDF State Government. Central Government has nonetheless granted Rs 3 crores for Perrorkada.. MP brought Central Health Minister to visit the Peroorkada Centre and he has promised further support under the forthcoming Five-Year Plan.
- Made a strong intervention with the military authorities to make major improvements in the functioning of the ECHS, Thirumala to resolve many long-pending functional and infrastructural problems. This has led to significant changes in the working of that facility bringing relief to thousands of ex-servicemen and their families belonging to the constituency.
- Intervened immediately with the Union Health Ministry when production of vital medicines used by patients suffering from the skin-disease 'Psoriasis' was stopped with at the Central Ayurveda Institute, Poojapura. The production of the medicines was re-started bringing great relief to tens of thousands of patients suffering from the disease in the State.

8. DRINKING WATER

- Successfully intervened with the Minister of Environment and Forests for granting *in-principle* approval for raising the water level at Peppara Dam to augment water supply for Thiruvananthapuram city. Also, took up with State Government the need for taking long-term measures for meeting Thiruvananthapuram city's water needs by laying of a 10 km connecting pipe-line to transport water from the Neyyar dam to the Aruvikkara reservoir and for construction of check dams along the 33 km canal connecting Peppara dam to the Aruvikkara reservoir.
- Intervened with the Vizhinjam International Seaport Limited (VISL) to incorporate a Rs. 36 crore turnkey water project using its Corporate Social Responsibility funds to meet the requirements of the people residing in Vizhinjam and surrounding areas.
- Successfully intervened with the Ministry of Urban Development for allotment of an additional Rs. 10 crores under JNNURM for providing adequate water supply in the panchayats newly added to Thiruvananthapuram Corporation.

9. URBAN WASTE MANAGEMENT

- Obtained central government funds to the tune of Rs. 80 crores for setting up 1070 lakh litre sewerage treatment plan at Muttahara in Thiruvananthapuram.
- Took initiative to include Thiruvananthapuram Corporation as a under the Urban Infrastructure and Governance (UIG) Scheme's 'Mission City' programme and got allotment of Rs. 24.56 crores for the purpose.
- Obtained from the Central Ministry of Urban Development additional central allocation (ACA) of Rs. 10.45 crores for Thiruvananthapuram Corporation for drinking water schemes and Rs. 2.94 crores for garbage disposal under JNNRUM funding.
- Succeeded in obtaining Rs. 57 lakhs for Thiruvananthapuram constituency for the 'Total Sanitation Campaign' mounted under the Central Rural Sanitation Programme of the Ministry of Rural Development.

10. CONSERVATION OF WATER BODIES

- Provided active leadership for action to save and preserve the Vellayani lake. Obtained Rs. 50 lakhs central government assistance for the purpose.
- Succeeded in getting a major sum of Rs. 24.56 crores under the National Lake Conservation Scheme for conservation of the Veli-Akkulam backwater lakes in the city.
- Provided leadership and financial support for the work to clean, de-weed and develop the Valiakulam water body in Chenkal panchayat.

11. AGRICULTURE

Actively intervened with concerned departments of the State and Central Governments and was successful in obtaining the following schemes under the Rashtriya Krishi Vikas Yojana (RKVY) for Thiruvananthapuram constituency:-

- Cleaning and renovation of Asarikulam water body (pond) to facilitate agricultural activities in the Keezhkolla ela in Chenkal panchayat. A sum of Rs. 66.91 lakhs was made available for the purpose.
- Conservation works of the Venkulam waterbody in Karode Panchayat to facilitate rice cultivation in the area. A sum of Rs. 90 lakhs was made available for the purpose.

12. FISHERIES

Succeeded in obtaining sanction for the following schemes under NABARD funding in Thiruvananthapuram :-

- Rs. 232.90 lakhs for drinking water scheme for the fishing villages of Karikulam and Poovar.
- Rs. 256.50 lakhs for developing modern fish landing centres at Parithiyur, Poovar and Puthiyathura villages.
- Rs. 138.70 lakhs for constructing water channels in Adimalathura, Ambalathumoola and Kottukal villages.
- Rs. 59.85 lakhs for constructing a solar fish drying unit at Poovar
- Rs. 34 lakhs for a drinking water project at Kollengode fishing village
- Rs. 34.40 lakhs for constructing a beach road at Pulluvila fishing village
- Ensured higher allocations of central assistance for the construction of houses for fisher folk under the National Fishermen's Housing Scheme.
- Succeeded in obtaining funds to the tune of Rs. 8 crores for constructing a new building for the Central Marine Fisheries Research Institute (CMFRI) to enable the Unit to continue functioning in Vzhinjam. The work was completed on time and made ready for inauguration.

13. HOUSING

- Vigorously intervened with Central Government Ministries and guided the required modification, of the State Government's proposal for construction of residential structures at a total cost of Rs. 71.28 crores to rehabilitate 1032 families living in crowded huts in the Harbour Ward of Thiruvananthapuram city under the Rajiv Awas Yojana.
- Successfully intervened with the National Housing Bank to issue revised guidelines in respect of 'Reverse Mortgage Loan' by national banks to allow those who have inherited properties to also be eligible to apply for the loan. This change has been widely appreciated nation-wide by thousands of people who were enabled to apply for the loan facility which had been denied to them till now.

14. DEVELOPMENT OF TOURISM

- Successfully intervened with the central Ministry of Tourism to provide a special Rs. 10 crore package for enhancing facilities to maintain Kovalam's reputation as a major international tourist centre.
- Succeeded in obtaining funding of Rs. 2 crores from the Ministry of Shipping for developing a children's park, museum and other basic facilities in the Vizhinjam Light House and surrounding areas .
- Successfully pursued and got included Thiruvanthapuram airport as one of the airports where bulk arrival permits were extended to tourists arriving from abroad.

15. CENTRAL GOVERNMENT INSTITUTIONS.

- Served effectively as elected representative of Lok Sabha on the Institute Body of the Sre Chitra Tirunal Institute of Medical Science and Technology, (SCTIMST), Thiruvananthapuram.
- Served as ex-officio member of the governing body of the Rajiv Gandhi Biotechnology Centre (RGBC), Thiruvananthapuram. Effectively intervened with Union Health Ministry to rush testing kits and other equipment to Thiruvananthapuram for use by RGBCC in the campaign to control Chickengunya and Dengue outbreaks in the city and other parts of the State.
- Intervened effectively with the Government of India to pursue Central takeover of the 'Centre of Earth Science Studies', Thiruvananthapuram, in order to elevate its resource base and capacity for excellence.
- Successfully intervened with the Centre for cancelling the proposed move for closing the branch office of the NFDC at Thiruvananthapuram. The office has now been allowed to be continued at new premises at Vellayani.
- Successfully intervened to ensure that the newly created Regional Office of the CPWD for Kerala is located at Thiruvananthapuram.
- Successfully pursued with the Central Department of Labour for establishing a sub-centre of the ESI at Thiruvananthapuram and for setting up a 'Centre of Excellence' facility in the Kazhakuttam ITI for Women.

16. DEVELOPMENT OF SCIENCE & TECHNOLOGY

- Successfully intervened for ensuring the establishment of a Rs. 110 crore Bio -Innovation Center of the Rajiv Gandhi Biotechnology Centre at Akkulam.
- Succeeded in obtaining approval for setting up a National Centre for Molecular Materials at Thiruvananthapuram at a cost of Rs. 76.7 crores.
- Approval was obtained for setting up a Model Science & Technology village at Kottukal.
- Successfully pursued the case for including Thiruvananthapuram in the Union Ministry of Non-Conventional Energy Sources 'Solar City' project.
- Obtained approval of the Ministry of Home Affairs for setting up 'Radiation Detection Dosimeter' in Thiruvananthapuram,

17.INFORMATION TECHNOLOGY

- Convinced Oracle Corporation, the second largest IT company in the world, to start its operations from Technopark. Oracle is the first international IT giant to enter Kerala and its entry has already had significant impact on employment and other benefits by motivating other global majors to set up their centres in Thiruvananthapuram.
- Ensured that infrastructure facilities including buildings were made available for the Third Phase development of Technopark, Thiruvananthapuram.
- Successfully pursued approval for development of C-DAC, Software Development Park of India, etc.

18.INDUSTRY

- Approval for releasing Rs. 17 crores out of a total package of Rs. 39.34 crores for developing a Textile Centre Infrastructure Park at Thiruvananthapuram.
- Efforts are being made to start a Global Support Center of 'Ernst & Young' at the Kinfra Film and Video Park in Thiruvananthapuram.

19.POSTAL SERVICES

- Intervened successfully with the Ministry of Communications to give a quantum fillip to postal services in Thiruvananthapuram by getting approval for construction of three major infrastructure projects involving construction of post office complexes at Poojapura, Sasthamangalam and Karamana and for significantly enhancing postal services in the city and its environs.

20.SPORTS

- Was effectively involved with the State Government's efforts to make a start in creating a state-of-the-art modern stadium at Kariyavattom in Thiruvananthapuram for the National Games that can also be used for cricket in the future.
- Played a crucial role in gaining an IPL team for Kerala. This placed Kerala cricket on the national and world map, enhanced possibilities for local cricketers, and attracted many more visitors and tourists to our state. Despite the subsequent disbanding of the team, the boost to Kerala cricket remains, and the possibility of Thiruvananthapuram getting a cricket stadium of international standard has also been strengthened.

21.OTHER

- Obtained central assistance of Rs. 1,5 crores for modernization of facilities at Poojappura Central prison.
- Provided a secure fibre-glass boat at Amboori crossing from the Chandran Tharoor Foundation in order to ensure safety of the local public following the tragic death of a young student in an accident there.
- Made vigorous and sustained efforts with the Central Ministry to obtain environment clearance certificate for re-starting the renovation work of the famous pilgrimage Shrine at Vettucaud. As a result, the work has now re-started and the re-construction is expected to be completed very soon.
- Obtained assistance of Rs. 1.24 crores under the Central Suvarna Jayanti Gram Rozgar Scheme for raising BPL families to APL level.
- Arranged, through funds provided by the Chandran Tharoor Foundation, a sea-outing at Kochi for 81 students and accompanying teachers of the Government Vocational Higher Secondary School for the Deaf, Thiruvananthapuram
- Took a principled and consistent stand on the issue of banning 'Hartals' and Bandh' for the greater good of the long-suffering public and the State.
- Strongly took up with the Ministry of Finance the case of improving pension facilities for EPF beneficiaries across the country.

- Strongly took up with the Chief Minister the case for providing reservation in the State Government services for ex-servicemen hailing from the State.
- Provided support and personal resources for meals and recreational outings for inmates of various Homes for the Aged, orphanages and students of the School for Hearing, Thiruvananthapuram.
- E-Toilets were set up in selected schools and water purifiers were distributed in schools in the coastal areas through the Chandran Tharoor Foundation.

22.QUALITY OF LIFE / CULTURE

- Personally intervened to bring the world-renowned Hay Literary Festival, which had never before been held in India, to Thiruvananthapuram in November, 2010. The annual event showcased international celebrities, writers, artists and policy makers who converged on Kerala's capital to brighten the intellectual horizon of the city. The Festival was held for a second year running in November, 2011.
- Put forward proposal and successfully pursued with the 'National Flag Foundation of India' to install the National Flag at the Kanakakkunu Palace grounds in Thiruvananthapuram city. The iconic flag is one of the tallest and largest in the country and a spectacular adornment to the city today.
- Actively pursuing proposal to issue a commemorative postage stamp in honour of the father of Malayalam language, Thunjathu Ramanujan Ezhuthachan.
- Took up proposal and succeeded in getting the Department of Posts to issue a commemorative postage stamp in honour of Shri C.V Raman Pillai.
- Actively pursuing proposal to issue a commemorative postage stamp in honour of Dr. Palpu the great social reformer.
- Successful in getting Central Government a major allocation of Rs. 26 crores for renovating the iconic Tagore Centenary Hall Cultural Complex in Thiruvananthapuram.

- Action taken to make Barcelona city of Spain the 'Twin City' of Thiruvananthapuram. Through the MP's negotiations, avenues were opened for cooperation for development in the fields of tourism, urban development, sports, etc. The possibility of world-class training in football was also raised in liaison with FC Barcelona, including arranging training by experts from Barcelona for children of coastal areas. Representatives from Barcelona arrived in Thiruvananthapuram three times and held discussions. The agreement only required approval by the Thiruvananthapuram Corporation, but as a result of petty politics by the Left-dominated Municipal Corporation, the agreement was sadly allowed to lapse.
- As a precursor to the above-mentioned agreement, world-class artists in various disciplines were brought to Thiruvananthapuram from Barcelona and they performed in events held over three days on 23rd, 24th and 25th May 2010 in the city.

23. NON-RESIDENT INDIAN'S WELFARE

- Successfully intervened with the Prime Minister arguing in favour of removing NRI remittances from the Service Tax net. This resulted in the Prime Minister, then holding direct charge of the Finance portfolio, to get the Central Board of Direct Taxation (CBDT) to issue a clarification that remittances by NRIs will not be brought under the new Service Tax regulations. This has provided immense relief to millions of expatriates and notably the large Keralite diaspora in the Gulf countries.
- Successfully lobbied for the setting up of Sri Lanka, UAE Consulates in Kerala in Thiruvananthapuram. This will provide major consular services and other conveniences in general to the people of the region in particular to the constituents of Thiruvananthapuram Parliamentary constituency in particular. The move is also expected to influence other countries to locate their consulates in the city. Succeeded in setting up an honorary consulate of Sri Lanka in the city. A proposal for a Trade Office of the UK High Commission is under consideration.

24. WORK AS UNION MINISTER OF STATE FOR FOREIGN AFFAIRS

- Your MP's work as Minister of State for External Affairs (2009-10) the period in which he was holding that Office, was nationally appreciated. In that short 11 months, he succeeded in opening new vistas for India in Africa, travelled extensively to the countries under his charge, became the first Indian Minister to visit Haiti after the disastrous earthquake in that country which drew international attention due to the large number of casualties, and made path-breaking progress in relations with countries of Africa, Latin America and the Gulf region.
- He initiated new policy-planning activities on the Indian Ocean and represented India effectively at many global events, creating new relationships especially with the Francophone countries in Africa.
- Received appreciation from all quarters for guiding and implementing Haj pilgrimage arrangements in an exemplary manner. These efforts led to the pilgrims completing their pilgrimage with enhanced safety and without having to make any complaints.
- Made improvements in the functioning of passport offices. Action taken to start Passport Seva Kendras (PSK's) at Vazhuthacaud in the city and at Neyyatinkara. The Neyyatinkara PSK came into existence only due to the decision made by the MP, as the Minister of State.

- Whenever such help was sought by the constituents or others from Kerala, the MP's Office and he himself personally as the Minister of State, intervened speedily and directly in cases where they were facing problems relating to visas, repatriation, compensation claims, transportation home of mortal remains of deceased persons, etc.

25. AS MEMBER, LOK SABHA

(In-between his two stints as Minister of State)

- Was the Member-Convenor of the Parliamentary Forum on Disaster Management, and a member of the Standing Committee on External Affairs, the Consultative Committee on Defence, the Public Accounts Committee and the Joint Parliamentary Committee on Telecoms. The five Committee assignments reflected an unusual level of responsibility and trust in the MP.
- Participated prominently in many of the important debates which took place in the House during his tenure, including on the Lokpal Bill, the Motion of Thanks on the President's Address, the Demand for Grants of the Ministry of External Affairs, the Demand for Grants of the Ministry of Commerce and Industry, on 'Black Money', Copyright Rules and the at the Special Sitting held to commemorate the 60th Anniversary of Parliament. Your MP's speeches during the debates, interventions and questions have been widely appreciated by leaders and other prominent members of the parties represented in the House, cutting across political lines.
- Raised many specific issues relating to the Constituency through Parliament Questions, interventions in debates. Raised the issue of the garbage crisis in Thiruvananthapuram city through a Special Mention. Another issue which was raised through a Special Mention was the need for enforcing safety measures and guidelines for transportation of school children.

- Introduced a Private Member's Bill on the all-important subject of setting up of High Court Benches in State Capitals. The Bill, which could have added momentum to the setting up of a High Court bench at Thiruvananthapuram received selection through the ballot and was slated for consideration of the House, but that day's sitting was cancelled due to disruption of the proceedings by the opposition benches and its consideration was thus, most unfortunately, aborted.

MEMBER OF PARLIAMENT LOCAL AREA DEVELOPMENT SCHEME (MPLADS)

- Ranks first among the 20 Lok Sabha MPs from the state expending 107.60 % of the allotted MPLAD funds as on 02.12.2013.
- Rs. 7.20 crore was ear-marked for creation of durable assets like roads and bridges.
- Rs. 3.76 crore was expended for installation of new street lights and for rural electrification.
- Infrastructure for Anganwadis, libraries, Public Parks and Cultural Centres were built using Rs. 3.64 crore from the MPLAD funds.
- Educational and Health Care sectors received Rs. 3.25 crore and Rs. 2.10 crore respectively.
- Rs. 1.15 crore was ear-marked for drinking water supply schemes in the Constituency.

The name, location and other details of the works/projects undertaken through the funds under the MPLAD Scheme are given below:
